

How to View WisLine Web Archives

Go to: <https://www120.livemeeting.com/cc/wislineweb/viewRecordings>

- Enter Your Name
- Enter the Recording ID (MEETING ID-yymmdd)
- Leave the Recording Key blank
- Click View Recording

For example:

On the View Recording Page:

Click the ICON to the left of Microsoft Office Replay **or** Microsoft Office Live Meeting High-Fidelity Presentation.

This will open Windows Media Player (Office Replay) and the file will begin to play automatically, or a browser window will open and the Live Meeting High-Fidelity replay will begin to play automatically.

For example:
